```
Ruby ruby
[with normalization tools]
The developer is holding a large, red, faceted heart that appears to be bleeding from his hands. He has a shocked expression on his face, with wide eyes and sweat drops on his forehead. The background shows a window with a beach view and a laptop displaying the Ruby logo.
```

```
def self.ruby
  puts "normalizing body [No normalization, local]"
  puts "partial"

 **RUBY EUROPE**

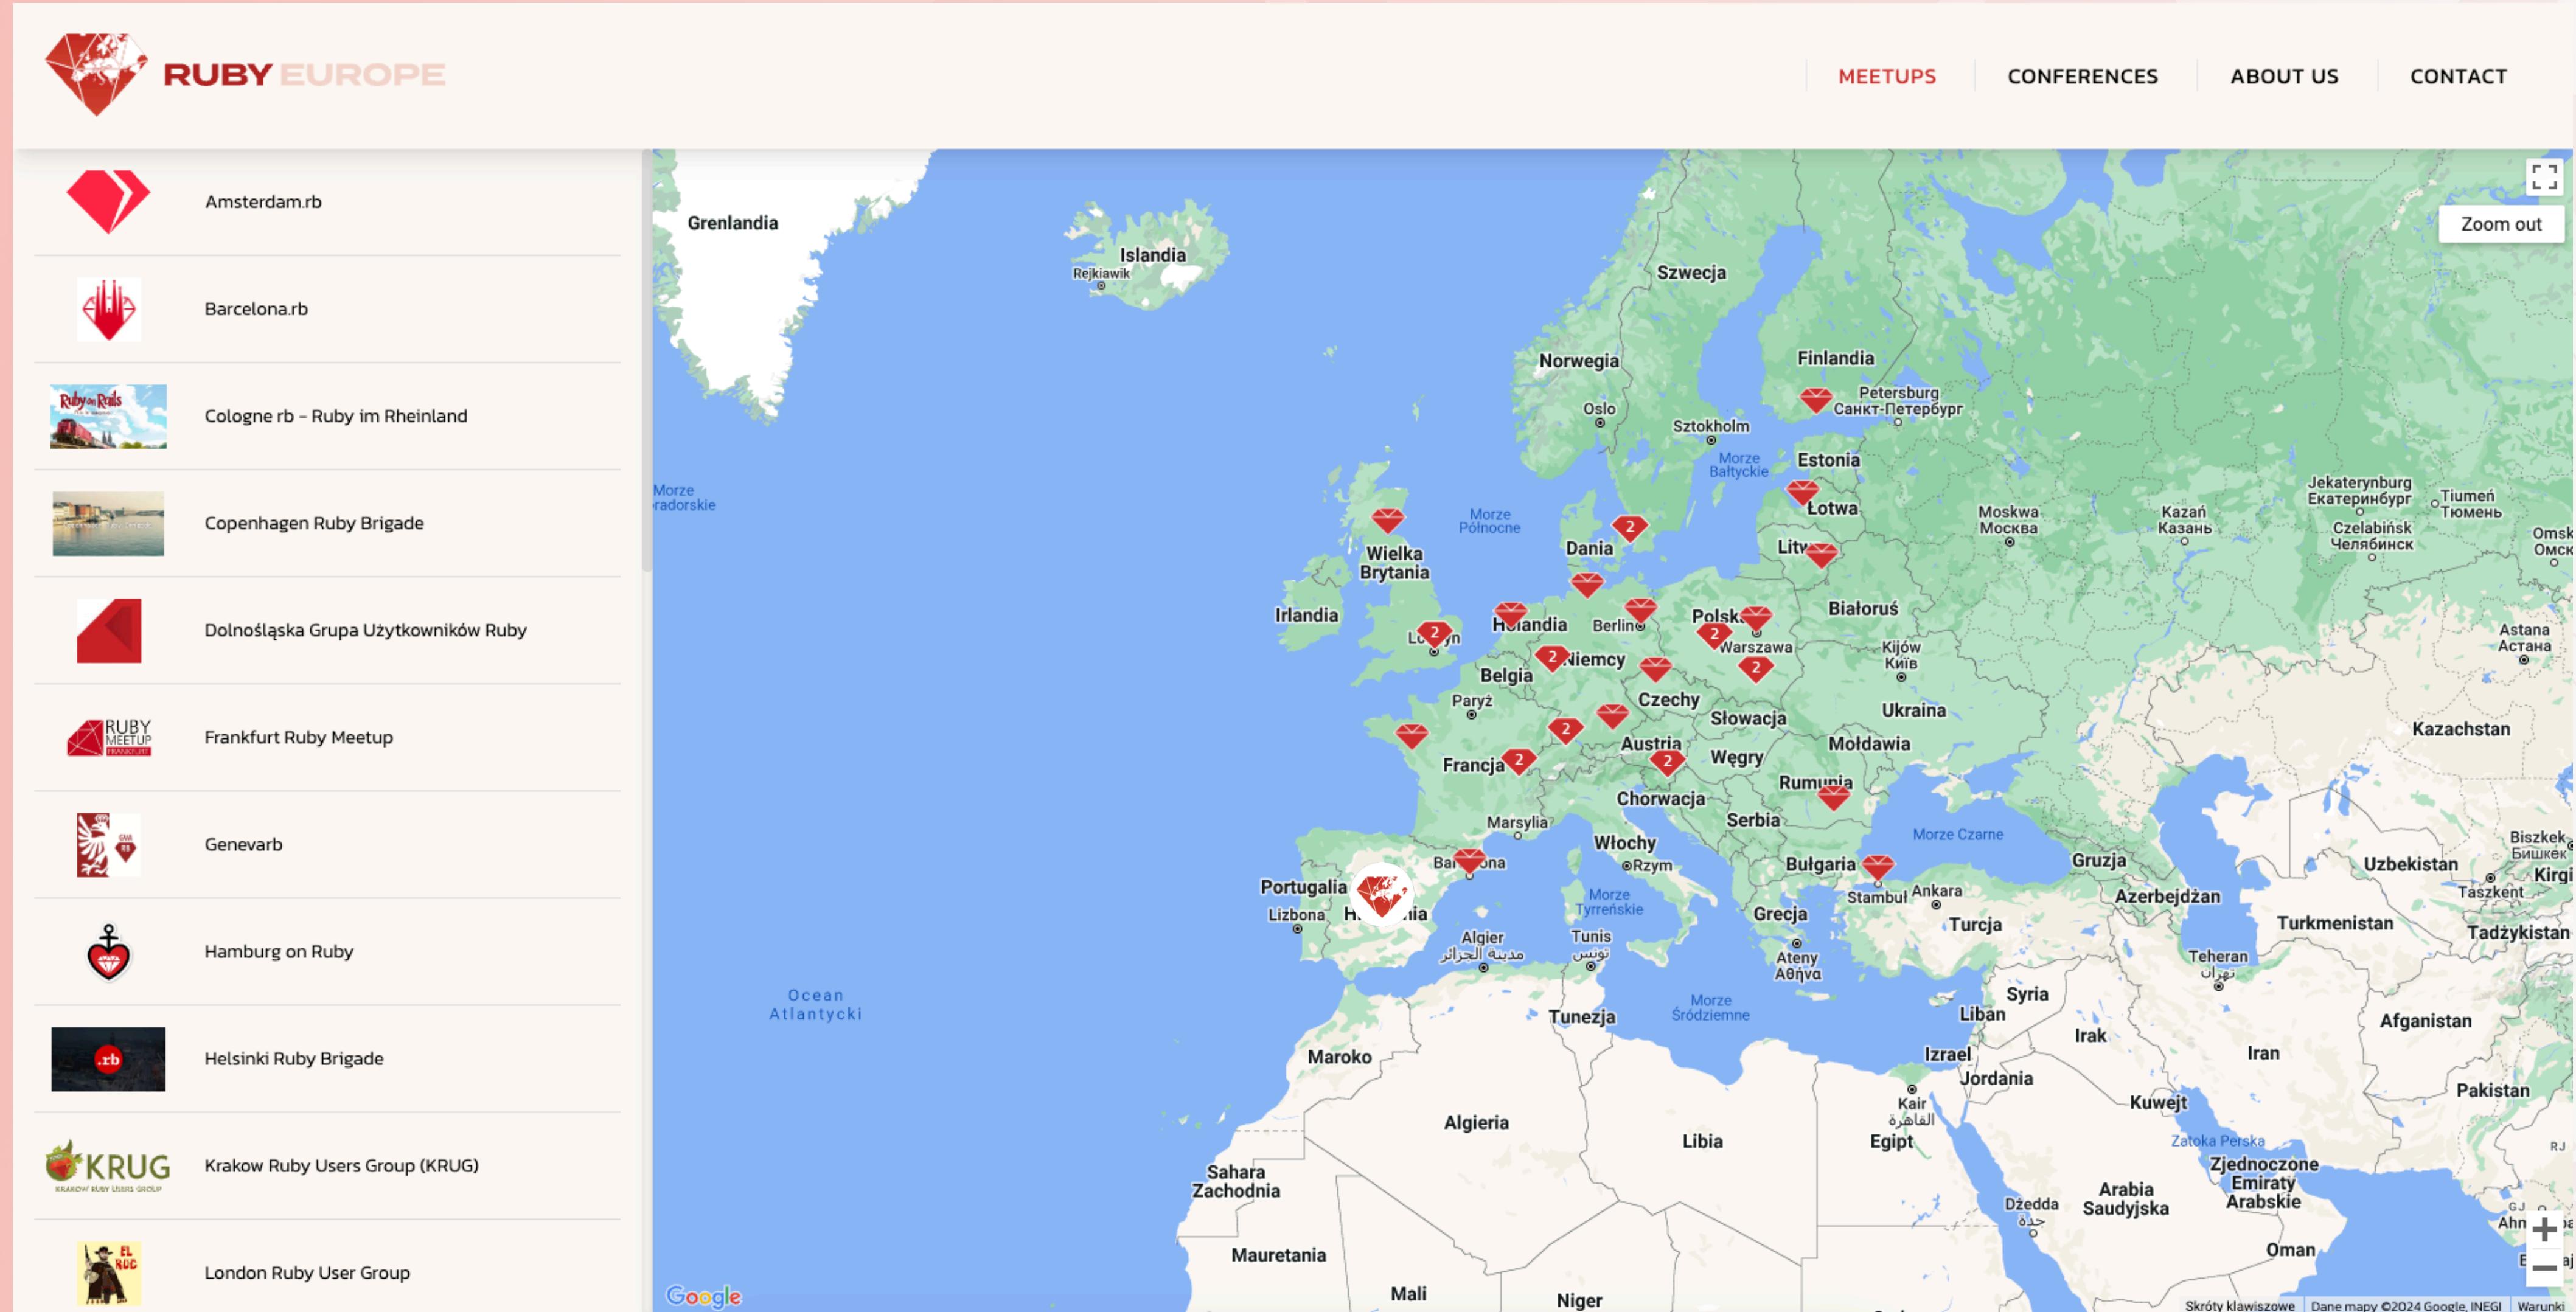

MEETUPS | CONFERENCES | NEWS | ABOUT US | CONTACT

	Amsterdam.rb
	Barcelona.rb
	Cologne rb – Ruby im Rheinland
	Copenhagen Ruby Brigade
	Dolnośląska Grupa Użytkowników Ruby
	Genevarb
	Hamburg on Ruby
	Helsinki Ruby Brigade
	Krakow Ruby Users Group (KRUG)
	London Ruby User Group
	LODZ

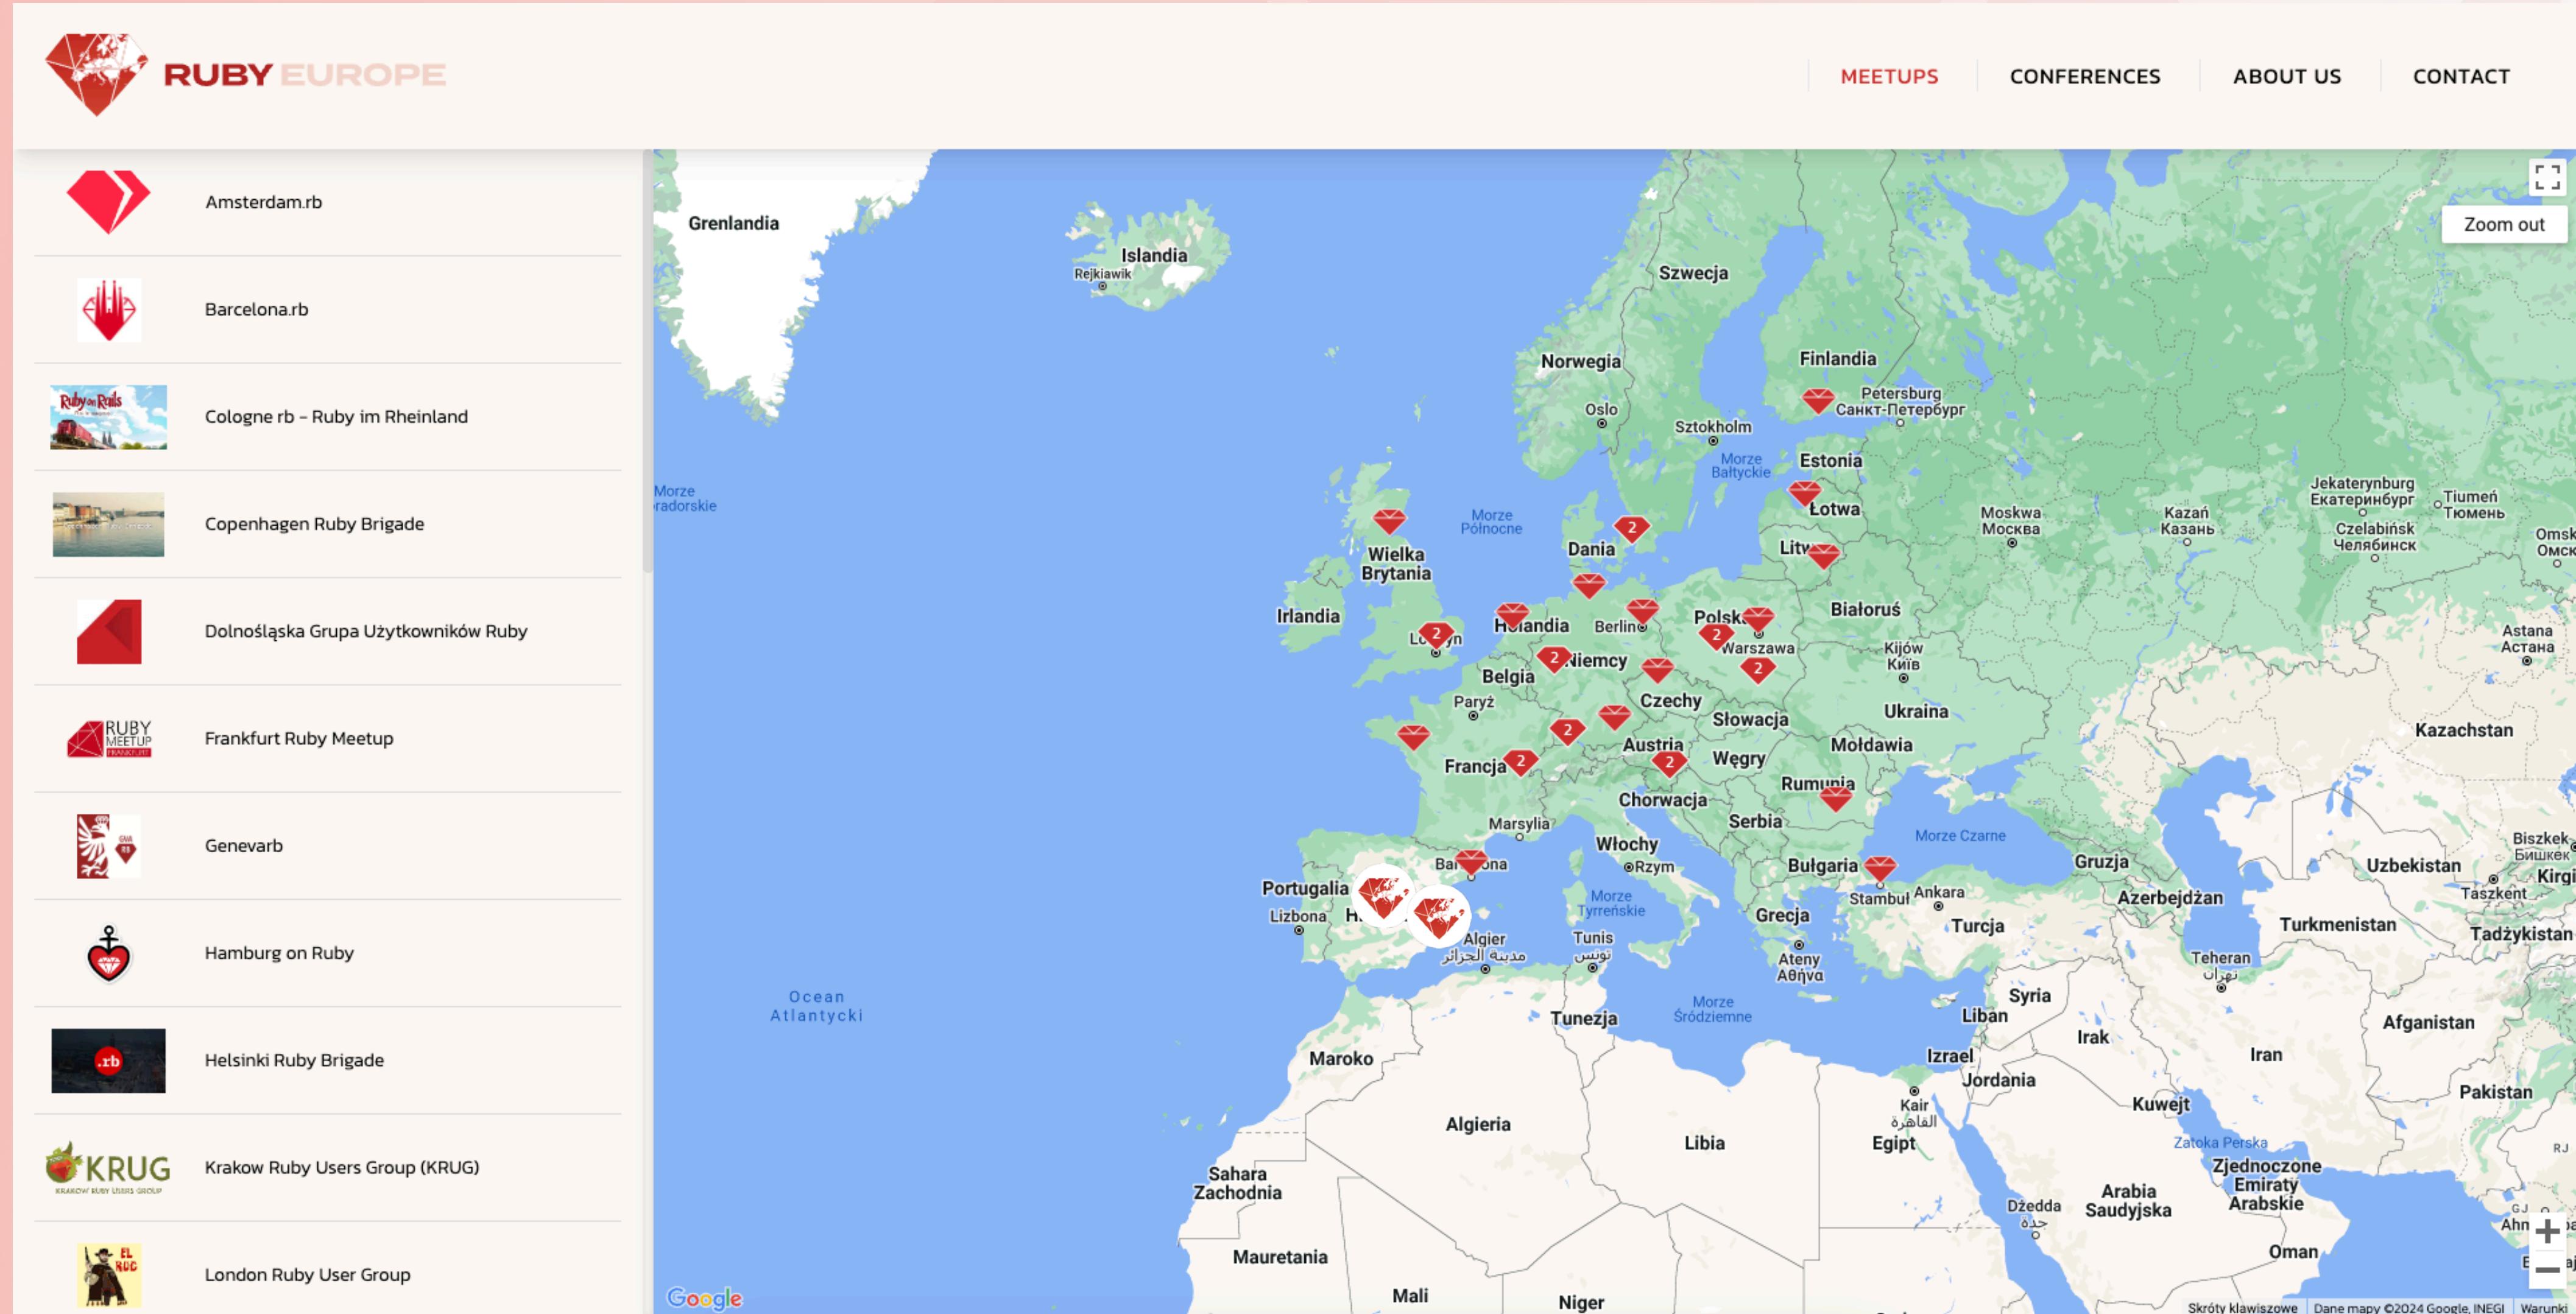

The map displays the geographical distribution of Ruby meetups across Europe and parts of Central Asia. Red diamond markers indicate the location of various Ruby groups, with some diamonds containing numbers like '2' or '3' to represent multiple meetups in a single city. Major cities labeled include Reykjavik, Stockholm, Copenhagen, Berlin, Warsaw, Paris, Rome, Istanbul, Ankara, and numerous others across the continent.
